Job Description:

Job Summary:

The position of Custom Shop Wood Craftsman at Wholesale Hardwood Interiors, Inc. specializes in the craftsmanship of special millwork from drawings and plans.

Job Responsibilities:

- Reading and creating custom orders including, but not limited to; transoms, custom newels, special stair treads, custom shutters, doors, beams, and custom cabinetry.
- Handling of material must be performed with care while fulfilling responsibilities.

Skills /Qualifications:

- Experience in cabinetry is highly preferred.
- 3-5 years of experience in custom shop work is also highly preferred.
- Applicant must be able to lift material up to 75 lbs.
- Must have a safe and detailed level of operation of woodworking equipment.

*Wholesale Hardwood Interiors, Inc. specializes in your home's interior needs. This includes every type of **Moulding**, from floor to ceiling, **Specialty Millwork**, of all shapes and sizes, **Doors**, molded or solid wood, and a wide variety of **Stair Parts**. It is WHI's goal to stock as many high-demand items as possible to serve customers with the shortest amount of turnaround time. WHI's growth over the last 35 years has hinged on the three qualities that we feel make up WHI's golden rule, quality, service, and integrity. From the start, it has been the intent to treat others the way we would want to be treated. In the millwork industry, we feel that is encompassed in quality products, exceptional service, and integrity you can count on.*
