Job Description:

Job Summary:

WHI's pre-hung door department is made up of three industrial scale pre-hanging door lines including a state of the art 994-X from KVAL Door Machinery. In addition to the machinery, WHI maintains a large inventory of door slabs, hinges, jams, etc. to service the needs of our customers over a four-state area. The ideal candidate for this position would oversee the day-to-day operations within the department. This includes scheduling orders to meet specific deadlines, maintaining the highest level of quality standards, and supervising team members to work safely and efficiently.

Job Responsibilities:

- Organize and schedule customer orders
- Foster a clean and efficient work environment
- Conduct performance evaluations
- Maintain a high standard of quality and service
- Oversee cross-training of employees to create a well-balanced team

Skills /Qualifications:

- Previous experience in pre-hanging is a plus, but not required
- Previous supervising experience.
- Good leadership, communication, and organizational skills are necessary for success.

*Wholesale Hardwood Interiors, Inc. specializes in your home's interior needs. This includes every type of **Moulding**, from floor to ceiling, **Specialty Millwork**, of all shapes and sizes, **Doors**, molded or solid wood, and a wide variety of **Stair Parts**. WHI's goal is to stock as many high-demand items as possible to serve customers with the shortest turnaround time. WHI's growth over the last 40 years is attributed to three aspects: quality, service, and integrity. We intend to treat others the way we would want to be treated. In the millwork industry, we feel this includes quality products, exceptional service, and integrity you can count on.*
