Job Description:

Job Summary:

The position of Floor Lead at Wholesale Hardwood Interiors, Inc. is responsible for overseeing daily floor operations to ensure orders are accurately picked, staged, inspected, and loaded onto the correct delivery trucks.

Job Responsibilities:

- Inspect orders and materials for accuracy, completeness, damage, and overall quality before shipment.
- Verify that the correct orders are staged and loaded onto the appropriate delivery trucks, ensuring accuracy and preventing shipping errors.
- Check incoming freight deliveries against packing slips to verify quantities, accuracy, and condition.
- Oversee daily activities of floor employees, monitor productivity, and ensure work is completed accurately and efficiently.

Skills /Qualifications:

- One year of experience in a similar role is preferred.
- High school diploma or equivalent with good math capabilities.
- Applicant must be able to lift material up to 50 lbs.

*Wholesale Hardwood Interiors, Inc. specializes in your home's interior needs. This includes every type of **Moulding**, from floor to ceiling, **Specialty Millwork**, of all shapes and sizes, **Doors**, molded or solid wood, and a wide variety of **Stair Parts**. It is WHI's goal to stock as many high-demand items as possible to serve customers with the shortest amount of turnaround time. WHI's growth over the last 35 years is contributed to the three qualities that we feel make up WHI's golden rule, quality, service, and integrity. From the start, it has been the intent to treat others the way we would want to be treated. In the millwork industry, we feel that is encompassed in quality products, exceptional service, and integrity you can count on.*
