Job Summary:

The position of Truck Loader at Wholesale Hardwood Interiors, Inc. specializes in the pulling and transporting of material to the correct location for loading.

Job Responsibilities:

- Handling of material must be performed with care while fulfilling responsibilities.
- Load and unload materials from trucks located in the docking bay.
- Communicate with the shipping assistant and supervisor as well as the plant manager.

Skills /Qualifications:

- Forklift experience is highly preferred (but not required).
- High school diploma or equivalent with good math capabilities.
- Applicant must be able to lift material up to 75 lbs.

*Wholesale Hardwood Interiors, Inc. specializes in your home's interior needs. This includes every type of **Moulding**, from floor to ceiling, **Specialty Millwork**, of all shapes and sizes, **Doors**, molded or solid wood, and a wide variety of **Stair Parts**. It is WHI's goal to stock as many high-demand items as possible to serve customers with the shortest amount of turnaround time. WHI's growth over the last 35 years has hinged on the three qualities that we feel make up WHI's golden rule, quality, service, and integrity. From the start, it has been the intent to treat others the way we would want to be treated. In the millwork industry, we feel that is encompassed in quality products, exceptional service, and integrity you can count on.*
